

# LANDSCAPE ARCHITECT

(GRADUATE)

Boffa Miskell | Tauranga, New Zealand

Feed your passion for design, and help deliver projects at all stages, from strategic and conceptual designs through to realisation on site.

We are on the lookout for someone with enthusiasm for design and who is keen to start their career as a landscape architect. This role will provide opportunities to work on a broad range of projects from urban streetscapes and public spaces, cycleways, green spaces and infrastructure, stream restoration, apartment living, educational and mixed-use developments.

Ideally, you will have the following skills and attributes:

- Bachelor's Degree (Hons) or Master's Degree in Landscape Architecture
- Up to 1 years' professional experience (preferred)
- An eye for detail and be results and outcomes orientated.
- An ability to effectively and confidently communicate with a wide range of stakeholders
- An understanding and awareness of landscape design values and issues in NZ
- A good understanding of Adobe Creative-Suite, AutoCAD and SketchUp. Experience with Revit is desirable, but not essential
- An enquiring mind, be hungry to learn and willing to put in the hard yards when things get busy
- An ability to work collaboratively
- Are a Graduate Member, NZ Institute of Landscape Architects or working towards this.

We offer a supportive, collaborative and respectful working environment, and value having an inclusive and diverse workplace. We offer ongoing opportunities for professional and personal development to ensure that our people can become the very best version of themselves. The broad range and scale of project work we do allows our team the possibility to work closely with urban designers, ecologists, biosecurity specialists, cultural advisors, landscape planners and planners. Regardless of discipline, we are all passionate people who excel at what we do.

Boffa Miskell is a leading New Zealand professional services consultancy. We are employee-owned and have been in business for 45 years. We work in partnership with our clients to fully understand each project, explore its possibilities and provide creative solutions based on sound knowledge and experience. We bring together professionals with an integrated environmental view, the ability to think creatively and with leadership and collaboration skills to deliver award-winning projects.
