

Are you a talented and passionate
RMA Planner looking for your next
career move?

We have an exciting opportunity for an experienced and talented Senior Planner to join our multi-disciplinary team in Wellington. Overlooking the waterfront, our office is centrally located to all the amenities of Wellington's vibrant city centre.

Boffa Miskell is a leading New Zealand professional services consultancy that is focused on working with our clients to achieve better outcomes for our environment. We are entirely employee-owned and growing, with an increasingly diverse portfolio of clients and projects, and new offices recently established in Dunedin and Queenstown. We have a collegial, flexible and collaborative working environment, and value having a diverse and inclusive workplace. We offer access to ongoing opportunities for professional and personal development to ensure that our people can excel and grow. We encourage our staff to become excellent project managers, fostering skills in developing strong client relationships.

This position will see you joining a team of six passionate, highly performing planners who work closely with our inhouse urban designers, ecologists, cultural advisors, landscape planners and landscape architects. You will work on a broad range of projects, covering all aspects of planning, from consenting small and large projects, helping clients shape RMA and environmental policy, and taking on a variety of environmental and urban research as well as strategic work. You'll deepen your professional experience and personal progression through this interesting and diverse work.

Check out some of our exciting projects and activities on our website or by visiting [LinkedIn](#).

If this sounds like your next career move, we're looking forward to hearing from you.

Monday 23 September 2019

**We're looking for
someone with:**

At least seven years' professional experience in Planning.

A Bachelor's or Master's Degree in Planning or a related environmental field.

NZPI Membership.

Comprehensive and up-to-date understanding of planning and resource management in New Zealand.

Excellent knowledge in policy and plan development under the Resource Management Act, as well as the statutory approval processes.

Clear and well-articulated written and oral communication skills.

The ability to think conceptually and focus on wide-ranging or long-term implications.

Skills in developing client relationships and, ideally, a proven track record in business development.

Knowledge of public consultation, mediation and facilitation processes.

A thirst for knowledge and a drive to take on new challenges.

A positive, can-do attitude.
