

Are you a talented and passionate planner looking for your next career move?

We are looking for a passionate and talented planner who is ready for their next career challenge. By joining our high-performing and experienced planning team in Tauranga, you'll gain further practical experience to accelerate your personal and professional development.

This position will see you working alongside friendly, collaborative and passionate planners, who excel at what they do. Across the company, our planners deliver a wide range of industry leading projects throughout New Zealand, covering all aspects of Planning.

You will work collaboratively with internal stakeholders and our clients, to make meaningful contributions across a range of interesting and challenging projects.

Boffa Miskell is a leading New Zealand professional services consultancy, which is focused on better outcomes for our environment. We are entirely employee-owned and growing, with an increasingly diverse portfolio of clients and projects. We offer a supportive, flexible and collaborative working environment and value having an inclusive and diverse workplace. We offer ongoing opportunities for professional and personal development to ensure that our people can excel and grow.

Check out some of the projects and activities we are involved in by visiting our [website](#) or [LinkedIn page](#).

If this sounds like your next career move, we look forward to hearing from you.

To talk with someone about the role please ring:

Sunitha Namboothiri on +64 9 357 4409

To apply, please email your CV to:

joinus@boffamiskell.co.nz

Closing date:

Monday 19 October 2020

Please note, we like to consider applications as they are received, so encourage you to get in touch with us as soon as possible.

We're looking for someone with

At least 5 years' professional experience in planning

A Bachelor's or Master's Degree in a planning or related field

A current membership of the NZ Planning Institute

Demonstrated awareness of planning and resource management in New Zealand

Have an interest and/or ability in environmental policy and plan development, as well as statutory approval processes under the Resource Management Act

Have knowledge of public consultation, mediation and facilitation processes

Can think conceptually and focus on wide-ranging or long-term implications

Excellent communication skills to enable you to work and liaise with colleagues and clients

Strong problem-solving skills and a desire to work collaboratively in a team environment

A positive, can-do attitude, and a passion and enthusiasm for planning
